## Smart Talky

*License Free Walky Talky*

*Approved by W.P.C, Govt of India*

*Equipment Type Approval No:ETA-SD-20190702350*

	Squelch noise	
High power		Scan
	Low power	
CH with CTCSS		CH with DCS

## Smart Talky

- LED display
- 99 Channels
- Very Long Range
- High Capacity Battery
- Menu Display Mode
- Low battery strength display
- Channel Number/Name display

License Free Walky Talky Approved by W.P.C, Govt of India License free under Government Gazette Notification No:DL-33004/99,GSR-1047(E).

## General specification

Name	Smart Talky PMR 446 MHz Device
Model	Smart Talky
Frequency	UHF
Channel capacity	99
Frequency band	446-446.2 MHz
Weight	220 gms with Battery
Dimension	100 X 57 X 35 mm
Rated voltage	DC: 7.4V
Temperature range	-20°C ~ ±60°C
Battery Capacity	2000 mAh Battery (BIS Approved)
Battery Type	Li-ion Battery
Rx Sensitivity	0.18uV
Selectivity	≥ 60dB
Audio Power	≥ 1W
Modulation Emission	11KOF3E (12.5KHz)
Frequency Stability	± 1.5 PPM
Tx Power Output	0.5 W
Water Resistant	Meets IP55 Standards
Rugged Construction	Meets MIL STD 810

- **VOX (Voice Operated Transmission)**
- **107 PL (Private Lines Codes)**
- **56 DPL (Digital Private Lines codes)**
- **Channels Scan with Call back**
- **Priority Scan with Call Back**
- **Time Out Timer with Pre Alert**
- **Voice Annunciation**
- **Busy Channel Lock Out**
- **Multiple Call Tones**
- **Call Alert Tone in Group**
- **Emergency Alert in Group**
- **Low Battery Alert**
- **Automatic/Manual Key Lock**
- **Auto Wakeup LED Display**
- **Battery Voltage Display**
- **Call Strength Indicator**
- **Battery Saver Circuit**

\* Note: All Stated Specification are subject to change in our endeavour of continuous improvement.
